

Crew Resource Management Trainer (CRMT/CRMI)

Who is this course for?

This course is tailored for individuals aiming to become CRM trainers within the aviation industry, including pilots, cabin crew, and technical staff from airlines, military, and other aviation organisations.

Become an Expert CRM Facilitator

This course is designed for pilots, cabin crew, and non-flying aviation professionals authorized by their regulatory bodies to become CRMT/CRMI. Are you prepared to elevate your role as a Crew Resource Management (CRM) facilitator? Our Crew Resource Management Trainers (CRMT/CRMI) Course serves as your pathway to mastering the facilitation of CRM training throughout the aviation sector. Acknowledged as the benchmark of excellence, this course has been meticulously refined over 25 years to adapt to the changing needs of pilots, cabin crew, and technical personnel across airlines, military, and all areas of aviation.

Why Choose Our CRMT/CRMI Course

- **Comprehensive Curriculum:** Our course encompasses the latest developments in CRM, including Threat and Error Management, CRM Skills Assessment, and Competency-Based Training, ensuring you remain at the cutting edge of CRM education.
- **Regulatory Compliance:** The training provided aligns with the standards set by EASA, FAA, CAA, ICAO, and other significant regulatory authorities, guaranteeing that your training is widely recognised and respected.
- **Expert Facilitation Techniques:** Acquire the skills necessary for effective CRM facilitation, empowering you to engage, educate, and enhance your trainees' comprehension and application of CRM principles.
- **Bespoke Training Options:** Whether you prefer traditional classroom instruction at our UK training centre, live online courses, or tailored training at your facility, we can accommodate your preferences.
- **Expertly Designed:** Crafted by Global Alliance 360 Training, a provider specialising in aviation psychology-based CRM training, ensuring superior quality and dependability.
